Report on EEE Association Day – EGNIZITA '25

Date: March 1, 2025

Venue: New Academic Block & Open Auditorium

"**Electrifying Minds, Empowering Futures**" – under this powerful and visionary tagline, the Department of Electrical and Electronics Engineering of MBC Engineering College proudly celebrated its Association Day, **EGNIZITA 25**, on March 1, 2025. The day marked a grand confluence of academic excellence, technical enlightenment, cultural vibrance, and motivational synergy, making it a memorable chapter in the department's vibrant history.

FLAG HOISTING CEREMONY

The celebrations commenced with the ceremonial flag hoisting of the EEE Association in front of the New Academic Block at 9:00 AM. The flag was unfurled by **Dr. V. I. George**, Hon. Principal, MBC Engineering College, in the presence of faculty, students, and invited guests. The event resonated with pride and unity, symbolizing the spirit of progress and innovation the department embodies.

INAUGURAL CEREMONY

Following the flag hoisting, the formal inaugural meeting was held at the auditorium in the New Academic Block. The session opened with a soulful **prayer song** rendered beautifully by **Ms. Athulya S** and **Ms. Ahsana Mehrin K. N.** from S6 EEE, setting a spiritual tone for the day's proceedings.

Prof. Resmara S, Head of the Department, welcomed the dignitaries, participants, and students with warmth and pride. In her address, she emphasized the department's commitment to academic growth and holistic student development.

The **Presidential Address** was delivered by **Dr. V. I. George**, Principal, MBC Engineering College. In his inspiring speech, he highlighted the importance of nurturing a culture of academic excellence and research orientation. He also spoke about the strategic vision towards achieving **autonomous status for the college**, emphasizing the role of departments in leading this transformation.

The program was officially inaugurated by the esteemed chief guest **Er. Tony M. Keeranchira**, Executive Engineer, KSEB Electrical Division, Peermade. He delivered a compelling keynote address emphasizing the **growing significance of Electrical Engineering** in today's rapidly evolving world. He shed light on emerging areas like **Electric Vehicles (EVs)**, **Renewable Energy Systems**, and **Smart Grids**, urging students to stay updated and embrace innovation.

FELICITATIONS

The inaugural session was further graced with felicitations by eminent academicians:

- **Prof. Elias Janson K**, Vice Principal, MBC CET, congratulated the department for organizing EGNIZITA '25 with such grandeur and commended the final year students for achieving **100% placement** – a testament to their hard work and faculty guidance.
 - **Dr. Oommen Tharakan**, Dean of Research, MBC CET, in his words of encouragement, urged students to pursue **knowledge with passion** and to take ownership of their **academic journey and research pursuits**.
-

SIGNING OF MoU

A significant highlight of the event was the **signing of a Memorandum of Understanding (MoU)** between the Department of EEE and **M/S Arcite School of Technical Education**. This collaboration aims to enhance student competencies through **add-on courses**, **technical workshops**, and **industry-supported learning activities**, thereby bridging the gap between academia and industry.

TECHNICAL SESSION

Post the MoU, a **technical session** was conducted by **Er. Archa G**, a seasoned expert in the field, who spoke on **"Energy Management Concepts in Buildings"**. The session was highly informative and interactive, providing students with real-world insights into sustainable energy practices and smart infrastructure.

VOTE OF THANKS

The inaugural session concluded with a heartfelt **vote of thanks** delivered by **Mr. Price Raj**, student of S6 EEE, who gracefully acknowledged the efforts and presence of every contributor to EGNIZITA '25.

CULTURAL EVENTS & EXHIBITIONS

The afternoon unfolded with vibrant **cultural programs** organized by the EEE students. The audience was treated to a spectrum of talent—**classical and contemporary dances, soulful songs, skits, and musical performances**, all showcasing the creative spirit of the department.

In parallel, a **food stall** organized by the students added flavor to the festivities, while a **book fair conducted by DC Books, Kottayam**, promoted literary engagement and reading culture among the students and faculty.

MOTIVATIONAL SESSION BY RJ JOSEPH ANNAMKUTTY JOSE

Post lunch, the college had the honor of hosting the **renowned motivational speaker, influencer, and RJ – Mr. Joseph Annamkutty Jose**. Held at the Open Auditorium, the session witnessed a massive turnout of **over 900 participants**, including students and faculty from other institutions.

Mr. Jose captivated the audience with his **life experiences**, insights on **overcoming challenges**, and **self-empowerment**. The crowd was moved, motivated, and left with renewed purpose and confidence.

GAMES & COMPETITIONS

As part of the celebration, more than **ten online and offline events and games** were conducted, engaging students in activities ranging from tech challenges to fun-based competitions. Winners were awarded **prize money and certificates**, distributed by Mr. Joseph Annamkutty Jose himself, making the moment special for every recipient.

GRAND FINALE – PROSHOW BY ABHIRAM SUNDAR

The EEE Day concluded with a **spectacular Proshow** by **Abhiram Sundar**, a celebrated Instagram influencer, director, actor, producer, writer, and DJ artist. His electrifying performance turned the campus into a festival of music, lights, and celebration, creating lasting memories for all attendees.

CONCLUSION

EGNIZITA '25 was more than just a departmental celebration—it was a **reflection of excellence, unity, and future-forward thinking**. The entire program was a grand success, thanks to the untiring efforts of faculty coordinators, student volunteers, and the unwavering support of the management.

As the lights dimmed and the music faded, the message remained clear – **"The future belongs to those who innovate, inspire, and ignite the power within."**
